*God grant me the serenity
to accept things I cannot change,
Courage to change things I can,
and wisdom to know the difference.*

DEAR FRIENDS OF YPSILANTI HISTORY:

FOR THE SEVENTH CONSECUTIVE YEAR THE CITY OF YPSILANTI ADMINISTRATION AND CITY COUNCIL HAVE DENIED OUR REQUEST TO LET US ASSUME THE USE OF THE CARRIAGE HOUSE DIRECTLY BEHIND THE MUSEUM. WE COULD MOVE OUR OFFICE AND ARCHIVES THERE AND HAVE THE ENTIRE HOME TO USE AS A MUSEUM AND DISPLAY SPACE WHILE RELIEVING A SERIOUS NEED FOR ADDED SPACE.

THE CITY HAS NEVER BEEN ABLE TO PROVIDE US WITH FINANCIAL STATEMENTS AS TO THE PROFITS IT DERIVES FROM THE CURRENT RENTALS SO THIS CANNOT BE THE REASON. SOME FEEL WE NEED NO LOCAL MUSEUM AS THE STATE OPERATES ONE IN LANSING AND WILL PRESERVE ANYTHING WORTHY OF PRESERVATION.

FOR WHATEVER REASON WE STILL HAVE NO ADDED SPACE AND WE ARE RUNNING OUT OF ROOM. THE ONLY REMAINING ALTERNATIVE IS TO START DISPOSING OF WHAT WE HAVE NOW TO MAKE ROOM FOR FUTURE ACQUISITIONS. We ESTIMATE WE NOW HAVE SPACE TO STORE AND DISPLAY THINGS GOING BACK 75 YEARS.. ITEMS BEYOND THE 75 YEAR MARK WHICH ARE MORE VALUABLE SUCH AS A CONGRESSIONAL MEDAL OF HONOR FROM THE CIVIL WAR COULD BE AUCTIONED OFF. LESSER OBJECTS COULD BE PART OF THE ULTIMATE YARD SALE AND ANYTHING REMAINING COULD BE DISCARDED.

OF COURSE, THIS MIGHT HAVE A CHILLING EFFECT ON FUTURE GIFTS TO THE MUSEUM BUT IT WOULD HELP WITH THE SPACE PROBLEM AT THE SAME TIME. THE AUCTION AND YARD SALE COULD TAKE PLACE DURING HERITAGE FESTIVAL AND BE PROMOTED AS YPSILANTI SELLING OFF ITS HERITAGE IN ORDER TO LET LANSING DO EVERYTHING.

YOU MAY HAVE SOME OTHER IDEAS AND WE WOULD BE PLEASED TO HEAR FROM YOU.

WE ARE INCLUDING IN THIS ISSUE OUR MOST RECENTLY ADOPTED BUDGET FOR THE SOCIETY FOR THE FISCAL YEARS 7/1/96 THROUGH 6/30/97. MANY OF THESE FIGURES ARE BASED ON THE ACTUAL EXPERIENCE OF RECENT YEARS. A FEW ARE INITIATIVES IN PROMOTING THE EFFORTS OF YOUR ORGANIZATION. HOWEVER, THE MOST IMPORTANT PART OF ANY BUDGET IS YOU. WE NEED NEW AND RENEWED MEMBERSHIPS, VOLUNTEERS OF EVERY NATURE AND DESCRIPTION AND PROMOTION THROUGHOUT THE COMMUNITY. SOMETIMES YOU SEE THE SAME PEOPLE OVER AND OVER AGAIN DOING THE TASKS ABOUT THE MUSEUM. THIS IS NOT BECAUSE WE WANT A CLOSED AND EXCLUSIVE SOCIETY - IT IS A REFLECTION OF THE DAUNTING TASK OF RECRUITING NEW VOLUNTEERS TO GET THE VARIOUS JOBS DONE.

THE HERITAGE FESTIVAL OFFERS THE LARGEST NUMBER OF VOLUNTEER OPPORTUNITIES. PLEASE HELP US MAKE THIS A RECORD YEAR FOR YESTERYEAR BY HELPING OUT DURING THIS THREE DAY PERIOD.

AN YPSILANTI AUTOMOBILE DRIVER

In this Anniversary of The Automobile, it is interesting to read about early ones in our city. The following material was compiled by children in the Ypsilanti Schools in 1982 for the Ypsilanti Community History Project. We are indebted to them for the research.

Before we relate the stories, let us tell you something about the owners and drivers of the vehicles.

One of these drivers was Miss Gertrude E. Woodard who lived at the Huron Hotel before her death in 1967. From her window, she could watch what was happening in downtown Ypsilanti, even to watching the flight pattern of the pigeons.

Miss Woodard once owned a Covert Motorette which she purchased in 1901 when she visited the factory at Lockport, New York. Since she worked in Ann Arbor as a Law Librarian at the University of Michigan, she thought it best to ask her employer if she might drive the "innovation to the Campus" I went to Dean Hutchins about it" She said, "and he brought his hand down emphatically on the arm of his chair, exclaiming "What in the world do you want with an automobile?" Miss Woodard knew she was going to drive the car to Ann Arbor for she was determined to do so. She was just waiting for the car to be delivered by Railroad. She hadn't driven it home because some adjustments were necessary, it being geared so high she would not be able to start it.

Finally, the big day of arrival came. She found it easy to turn the crank in the left side of the car, then take her place on the right side of the seat. She steered the vehicle with a bar, rather than a wheel. A bell on the dash, such as bicycles have, warned traffic. In the evening a flickering carbon light illuminated the road.

When Miss Woodard drove her car to Ann Arbor, she parked it behind the Law Building and classes had to be suspended with she started it, for the explosive sound was too disruptive.

The story as the children wrote it.

Upon further acquaintance with her new possession, Miss Woodard began accumulating an array of preventives against disaster. It was chain driven instead of shaft driven, and in case it threw a chain she must have a spare ready. She stored away an extra battery also. And then the gasoline! Getting out of gasoline was the commonest route to grief, there was no reserve tank. She remembers once taking refuge in the D.U.R. car in front of the Breakey house on Packard Road and trying for the nonchalant air of a person casually resting when the dismaying discovery was made that her gas was gone. It only took a pint to make the run to Ann Arbor, but she carried not only a can with extra gas, but a measuring stick to take soundings.

Once she ran out of gas near the water-tower. she and a student passenger pushed the car to the crest of the hill and it obligingly coasted to Zwergel's. Mrs. Zwergel had been cleaning clothes with gasoline. Perhaps she had a little bit left. She had. Yes, she had a teacupful. So in went the cupful and home was reached in high gear.

Those were days of dirt roads. To get traction in mud or sand, Miss Woodard carried newspapers and a strip of burlap, there was no reverse gear to back out of trouble.

At the Covert Factory, Miss Woodard had been instructed to use only high test gasoline so that it would not leave carbon on the pistons head and overheat. Alger Abel, who often rode with her (he is now with Continental Motor Co., in Muskegon), heard the dealer say he didn't believe Miss Woodard knew high test from low and he was going to try her out. She at once began testing all she bought of him, and presently found low test gas in her tank. He was chagrined when she sent for him to come and take out the gas he had put in and replace it with high test. With him she had no further trouble.

TRAFFIC TOO HEAVY

When the students began driving, Miss Woodard stopped.

Larger cars began to appear. Some discourteously crowded her to the side of the road. She had driven ten years without an accident and decided to retire with her perfect record. She took out her last license in 1911 at a cost of \$3.50 which included a driver's card. She bought regular house numbers for front and rear of her car, corresponding to the number on her License. The last was 1240, meaning 1240 cars in Michigan in 1911. Miss Woodard subscribed for the Horseless Age and Motor Age and read them faithfully and with profit. Eventually she gave the file to the University Library.

The Motorette, still preserved in the Joseph Thompson garage, has been driven in 4th of July parades. True to form it once ran out of gasoline in front of the Edison Building.

ADMINISTRATION COMMITTEE

The Administration Committee has been busy promoting the Museum. In May we had 2 Teachers Teas planned. One day for Lincoln Teachers and the next week for the Ypsilanti School District. We were a little disappointed on the turnout but it may have been a bad time of the year, so we will try again later.

Diane Schick and Cathy Kemling were busy as they took some of the items from the Gift Shop to the Business Expo and Ypsilanti Area Street Rod Annual Show and Shine, this was a good way to promote our Museum out in the community. There are still a lot of people who don't even know we exist and some have lived here all their lives. We constantly have to be telling people about our Museum and what wonderful things we have in it.

The Docent Luncheon was held June 20th with about 50 docents and guests present. The lunch was delicious and we hope everyone enjoyed the program on how the Society and Museum were organized and put together through the years.

We have had a few school tours this spring but not as many as usual.

Heritage days are coming up and we are going to have extended hours so this means we need docents for extra hours. 91 in all. If you can help or know of someone who might like to volunteer please call me at 484-0080. You do not have to be a docent to help, we will have information for each room available, the hours are: August 16th, 2:00-4:00 p.m.; August 17th, 12:00 p.m.- 7:00 p.m.; and August 18th 12:00 p.m. to 4:00 p.m.

June 15th was the Annual Yard Sale, it was a success and we were busy gathering, marking and working the day of the sale. Thanks to all of you who brought things in and helped.

Our thanks to Paul Jameson for all his help in repairing and helping around the Museum. Our thanks also to Roger and Lois Katon for all their help in keeping the yard up. It is people like them who keep the museum in the condition that it is.

Don't forget if you can help with Heritage Days please call, I really need help.

Thank you in advance.

Virginia Davis
Chairman Administration Committee.

UNDERSTANDING A CHILD'S
VIEW OF RETIREMENT

AFTER A CHRISTMAS BREAK, A TEACHER ASKED HER PUPILS HOW THEY SPENT THEIR HOLIDAYS. ONE SMALL BOY WROTE THIS:

"WE ALWAYS USED TO SPEND CHRISTMAS WITH GRANDPA AND GRANDMA. THEY USED TO LIVE IN A BIG, BRICK HOME, BUT GRANDPA GOT RETARDED AND THEY MOVED TO FLORIDA. NOW THEY LIVE IN A PLACE WITH A LOT OF OTHER RETARDED PEOPLE"

"THEY ALL LIVE IN LITTLE TIN BOXES. THEY RIDE THREE-WHEELED TRICYCLES AND THEY ALL WEAR NAME TAGS BECAUSE THEY DON'T KNOW WHO THEY ARE. THEY GO TO A BIG BUILDING CALLED THE WRECKED HALL, BUT IF IT WAS WRECKED, THEY GOT IT FIXED BECAUSE IT ALL RIGHT NOW. THEY PLAY GAMES AND DO EXERCISES THERE, BUT THEY DON'T DO THEM VERY GOOD."

"THERE IS A SWIMMING POOL THERE. THEY GO IN IT AND JUST STAND THERE WITH THEIR HATS ON. I GUESS THEY DON'T KNOW HOW TO SWIM. AS YOU GO INTO THEIR PARK, THERE IS A DOLL HOUSE WITH A LITTLE MAN SITTING IN IT. HE WATCHES ALL DAY SO THAT THEY CAN'T SNEAK OUT, THEY GO TO THE BEACH AND PICK UP SHELLS THAT THEY THINK ARE DOLLARS."

"MY GRANDMA USED TO BAKE COOKIES AND STUFF, BUT I GUESS SHE FORGOT HOW. NOBODY COOKS. THEY JUST EAT OUT. THEY EAT THE SAME THING EVERY DAY-EARLY BIRDS. SOME OF THE PEOPLE ARE SO RETARDED THEY DON'T KNOW HOW TO COOK AT ALL, SO MY GRANDMA AND GRANDPA BRING FOOD INTO THE WRECKED HALL AND CALL IT 'POT LUCK'."

"MY GRANDMA SAYS MY GRANDPA WORKED ALL HIS LIFE AND EARNED HIS RETARDMENT. I WISH THEY WOULD MOVE BACK UP HERE, BUT I GUESS THE LITTLE OLD MAN IN THE DOLL HOUSE WON'T LET THEM OUT."

ARCHIVES MUSINGS:

WE ARE BACK TO NORMAL IN THE ARCHIVES, DORIS HAS RETURNED. I was going to keep everything (inquires etc) for her to take care of but felt it would be a bigger burden on me when she returned. It is good to have some one to chat with once in a while. She is doing great.(If she wasn't she wouldn't tell you anyway).

The start of Fall is not too far away. Although we did not have Spring, Just started with some HOT days every once in a while. If we didn't have the weather to fuss about, what a dull world this would be.

The Yard Sale went over fairly well. We made \$210.00. Thanks to everyone that brought articles for us. It is surprising what sells. We look forward next year to some more help setting up, so you can have some fun too.

The City has O.K.'d our budget. A copy of the Societies budget is enclosed. The Archives is now open until 1:00 p.m. Monday through Friday (closed holidays). Remember when the Archives is open you may always buy in the Gift shop.

We have been very busy with inquiries and assisting the Newspaper people looking up different articles for their stories. John Woods has been looking up information on Harriet, Hamilton and all the South side of Ypsilanti. He does a very thorough job. So be sure to read his articles.

I'm sure everyone that came to the Picnic had a good time. The food was scrumptious. We had a little conflict as that was the same day as the City Hall Employees Picnic. Bet their food was not as good as ours. It was a little scary at first as some had not called in their reservations, but we thought they would come anyway. It was a great day, great food and the best of company. So look forward to coming next year.

PLEASE send in your dues for '96 if you haven't done so already. There is a Renewal Sheet in the back of your "Gleanings". If you have and have not received a Membership Card, please let me know, I may have missed sending one out. I try to get things out in time, but sometimes I goof. (Yes, even me)

We hope you have it on your agenda to come to the parade on Saturday, August 17th.

I know with the street construction going on it is difficult but there is a lot of work in the preparation of the parade and the people that do the work appreciate seeing you there, as well as you will enjoy seeing it.

CAPITAL REQUEST FOR 95-96**

HISTORICAL MUSEUM

PRIORITY	CAPITAL DESCRIPTION	COST	PURCHASE/ LEASE
1	Gutter Replacement - Rear Facade The gutter on the rear facade of the Historical Museum is no longer attached causing drainage and leaking problems for the facility. The gutter should be replaced to avoid further damage to the structure.	\$2,000	Purchase
2	Front Porch Rail Repairs The front porch railing requires repairs. Porch spindles are missing or broken and the porch handrails need to be replaced to provide safe access into this public facility. These repairs will not only provide for visitor safety but will ensure that this City-owned building meets the requirements of the Historic District Ordinance.	\$4,000	Purchase
3	Exterior/Interior Painting Routine maintenance painting is required for both the exterior and interior portions of this public building.	To be determined.*	Purchase
4	Foundation/Basement Wall Repairs The foundation and basement walls are in need of tuckpointing to stabilize the structure and prevent basement flooding.	To be determined.*	Purchase
5	Plumbing Repairs The building's plumbing system should be evaluated to identify maintenance needs to avoid future damage to the structure and its contents.	To be determined.*	Purchase

* Preservation Eastern and Eastern Contractors, two student historic preservation groups at Eastern Michigan University, have officially adopted the Historical Museum as their community project for 1995-96. These groups will be completing a restoration/maintenance plan, interior space needs plan, and accomplishing a variety of maintenance and restoration tasks for the Historical Museum. As a result, these capital improvement needs are estimated and are subject to change based upon the feasibility studies to be completed by these groups. A Five-Year Capital Improvements Plan will also be developed based upon the studies completed by these groups.
